### PRAYER OF SALVATION

The Bible says if you believe that Jesus Christ died for your sins and was raised from the dead; your soul shall be saved. Your decision to accept Jesus as your Savior is the most important decision you can make in your life. It's a decision that gives you assurance that your soul will find rest, when your body is buried.

If you can believe, please give your soul an assurance of rest and say this prayer from your mouth:

*Dear Lord, I come to you now, just and I am. Thank you for dying on the cross for my sins. You know my life. You know how I've lived. Forgive me Lord. I repent of my sins. Lord Jesus, come into my heart and make me the person you want me to be. Live your life in me and through me from now on. I receive Jesus Christ as my new Lord and Savior. From this day forward, I belong to you. Thank you Lord, in Jesus Name. Amen!*

If you said this prayer for the first time, I personally welcome you to the family of God. I would like to give you some information and pray with you to assist you in your new life.

## REDESIGN YOUR FUTURE!

*“For by your words you will be justified and acquitted, and by your words you will be condemned and sentenced”*

(Matthew 12:37 AMP).

Are you aware that, what you are right now is of the results of your words? Everything that's going on around you, came as a result of your spoken words. In our previous column, I've shown you how the 'Blessing' comes through words. After God created man in His own image, the scripture says *“And God blessed them and said to them...”* (Genesis 1:28 AMP). That means; God has empowered you by speaking words into your life. In the same manner, curses also come through words. Once, you receive bad news; and believe bad news, then you'll soon become what you believe. Now, since it took words to bring you that mishap; then it will also take words to redesign your life.

Now, remember that faith is neutral. Faith activates what you believe, whether positive or negative. Faith operates the same way as fear. Faith attracts the things that you believe. And in the same manner, fear also attracts the things that frighten you. Both faith and fear are put into action by the word **'believe'**. The scripture says *“For with the heart a person believes and so is justified, and with the mouth he confesses (declares openly and speaks out freely his faith)...”* (Romans 10:10 AMP). If you believe that you caught flu, based on the symptoms in your body or the Dr.'s report; then you'll soon see the materialization of the disease in your body. Yes, you might feel the effects of the symptoms in your body; but a disease will only take charge once you believe it and confess it.

You need to realize that nothing has the power to live in your body, unless you permit it. Whether it's disease or stress or worry or loneliness, etc.; none of these things has the right to your life, unless you give them access. You see, sickness is not from God! Worry or stress is not from God! And since they're not from God, then we both know they're from the enemy. And the enemy brings these things through feelings. Suddenly, you feel stressed! Suddenly, you feel sick! Suddenly, you feel lonely, etc. Jesus said *“For by your words you will be justified and acquitted, and by your words you will be condemned and sentenced”* (Matthew 12:37 AMP). In a court room, a judge cannot pass a verdict; until they hear the accuser's version. In the same way, the enemy is waiting on your report. Once, you speak the enemy's version openly with your mouth, that's when you give him the access to impose all these negative things in your life.

The purpose of the **'immune system'** in your body is to protect you against any kind of diseases. In the same way, God has also given us His Word as our immune system. The word **'immune'** means **'untouchable or protected or resistant'**. In other words, the word of God is able to make you untouchable. Once you feel the sickness symptoms in your body, use the word of God to resist it *‘...with the stripes that wounded Jesus, I am healed and made whole’* (Isaiah 53:5 AMP). Once you feel stressed or worried, use the word of God to resist it *‘...for the joy of the Lord is my strength and stronghold’* (Nehemiah 8:10 AMP).

I don't know what are you facing or what you are going through. When Jesus was confronted with a challenge; He said *“It is written...”* (Matthew 4:4). He quoted the word! You can also counter-act the enemy's attacks by saying what God says about you. You can use the word of God to redesign your life by speaking the expected future. Expect God to show up early in your life this week! Enjoy a fresh new beginning today, have a very Blessed week and **Continue to be a Prisoner of Hope.**
