### GOD'S GRACE IS STILL SUFFICIENT FOR YOU

*"My grace is all you need. My power works best in weakness..."*

**2 Corinthians 12:9**

According to a story of the prodigal son as recorded in **Luke 15**, there was a young man who lived in a wealthy family with his father and brother. One day he decided to take his inheritance, left home and went to a far country to spend it all with his friends. He made poor choices; blew his whole inheritance and lost it all. Now, he had no money, no place to stay and in need. It got so bad that he ended up working at a farm feeding the hogs. He got so hungry that he desired to feed on hogs' food.

But one day, something struck within him and he remembered that, even the servant at his father's house, lives well than him. He said to himself: *"I will get up and go to my father"*. Despite his poor choices and his mistakes, he knew there's room for him back home. He knew his father would never reject him. The story says, when his father saw him from a distant, the father ran towards him and welcomed him back home.

The scripture says: *"God has removed our sins as far away from us, as the east is from the west."* (**Psalm 103:12**). Maybe you may have made mistakes in the past or done things you're not proud of. I need you to know that, the moment you ask for forgiveness, God forgave you. He pressed a delete button on His keyboard and it's done. The fact that we cannot measure the distance between the sunrise and sunset, that's how far God has removed your sins from you.

You must understand that there are people who took a profession in making you feel guilty. They will do anything in their power to make sure your day turns sour. They will always remind you of your past failures, dragging your yesterday's failures into today. They told you: *'You'll never get married! You'll never have children! You'll never graduate! You'll never get that promotion! Your business will never succeed! You'll never get a job; etc.'* But I need you to know that, what was meant to harm you, God will use it to increase you. That setback that was meant to destroy you is a setup for your comeback. God will take those stumbling blocks in front of you and turn them into your stepping stones.

God had the solution before you made a mistake. When Jesus died on the cross, He paid the price for all your past and future mistakes. You cannot undo what's been done; but you can accept God's Mercy for today. The scripture says: *"My grace is all you need. My power works best in weakness"* (**2 Corinthians 12:9**). Just like the story of the prodigal son, God will run towards you when you take the first step to receive His Grace. Let go of every regret and start being your very best today and remember God's Grace is still sufficient for you! Expect God to show up early in your life this week! Enjoy a fresh new beginning today, have a very Blessed week and **Continue to be a Prisoner of Hope.**

#### PRAYER OF SALVATION

The Bible says if you believe that Jesus Christ died for your sins and was raised from the dead; your soul shall be saved. Your decision to accept Jesus as your Savior is the most important decision you can make in your life. It's a decision that gives you assurance that your soul will find rest, when your body is buried.

If you can believe, please give your soul an assurance of rest and say this prayer from your mouth:

*Dear Lord, I come to you now, just and I am. Thank you for dying on the cross for my sins. You know my life. You know how I've lived. Forgive me Lord. I repent f my sins. Lord Jesus, come into my heart and make me the person you want me to be. Live your life in me and through me from now on. I receive Jesus Christ as my new Lord and Savior. From this day forward, I belong to you. Thank you Lord, in Jesus Name. Amen!*

If you said this prayer for the first time, I personally welcome you to the family of God. I would like to give you some information and pray with you to assist you in your new life.
